The NEC does not coordinate dates for club events, but does publish this monthly calendar for your convenience. Prior to selecting a date for your club’s next event, please check the NEC calendar for availability, and then notify me of the new date immediately at BRomeo1234@optonline.net or by phone @ 914-433-2556.
Hello Everyone,

Fran, Leslie, Barb, and I had the opportunity to attend and help out at the NJAS 60th Anniversary event. Great event and group of people. Please get out and support your sister clubs as bidders, vendors, and don't be afraid to ask to help, the time passes quickly and you just might have fun, make new friends, and learn something in the process.

I have been looking for an Articles Chair since January. Several members had expressed an interest. I would like to announce that I have appointed Artie Platt (NAS) as the new Articles Chair. Artie handles the publication for NAS and is a contentious worker and fully qualified for the position. Artie's information will be published in this newsletter so that the club editors can submit their articles for the 2013 competition.

At the last board meeting we discussed the current limitations in the NEC constitution regarding our range of membership. The board voted to eliminate these restrictions, so that clubs outside the northeast could apply for membership in the NEC. The following constitutional changes are being proposed and will be voted on at the December general meeting:

Original:

ARTICLE I: MEMBERSHIP AND DUES

A. Any regularly organized aquarium society located in the Northeast Section of the Untied States of America may apply for membership and upon a two-thirds (2/3) majority acceptance of the Board of Governors and the current dues, shall become a member; and shall remain a member upon payment of dues yearly.

Proposed Change:

ARTICLE I: MEMBERSHIP AND DUES

A. Any regularly organized aquarium society may apply for membership and upon a two-thirds (2/3) majority acceptance of the Board of Governors and the current dues, shall become a member; and shall remain a member upon payment of dues yearly.
ARTICLE VIII: AMENDMENTS

G. The range of the Northeast Council as defined in the By-Laws Article I.

○ Connecticut
○ Maine
○ Massachusetts
○ New Hampshire
○ New Jersey
○ New York
○ Pennsylvania
○ Rhode Island
○ Vermont

**NEC Convention Update**

Reminder the 2014 NEC Convention Theme Logo contest deadline is **due by 11:59 PM Saturday, October 26, 2013**. Below lists the contest rules:

**Logo Contest Rules**  
The Deadline for submission is **11:59pm Saturday, October 26, 2013!!**  
The Logo you design should incorporate this year’s theme, “**Fins with a Flair!**” into a fishy design, representative of a Tropical Fish Convention. It does not have to include the dates of the convention (March 28-30, 2014) nor the fact that this will be the 39th convention, but you may include this information in the design if you wish.

1. Artist must be a member in good standing of an NEC member club. Entry must be original artwork. (Never used before). If you incorporate copywritten material, you must obtain and provide to the NEC evidence that you have obtained permission to use the image(s).
2. Entry must be submitted by the artist. Please send a non-signed copy. Your signature can be added after the voting, or you may send a signed copy in addition if you prefer.
3. The design should follow the theme of this year’s banquet, “Fins with a Flair!”
4. Please submit a color version. Four color maximum please. Black outlining, if used, also counts as one color. White is also considered a color. (Should the logo be printed on a dark-colored shirt, the entire logo image will be printed in white, with the other colors silkscreened over it.) Please avoid shading as it will not reproduce as you intend it to on the T-shirts.

The winning logo will be decided by popular vote through the NEC Convention Website November 1-15, 2013. It will appear on the Website, the cover of the Annual Convention Program, the Registration Flier, on the Convention T-shirts, and may be used in any/all NEC Convention publicity. Part or all of the logo may be used on the registration button and it may be modified to fit the button.

Note that the artist may recommend a color for the t-shirt, but the final color may be decided by the NEC Convention Committee.

The winner will receive a free registration for the 39th Annual Convention, a free convention T-shirt, and a free banquet ticket (all non-transferable).

The deadline for submission is 11:59pm Saturday, October 26, 2013. All entries must be received via email by Leslie Dick, by this date/time and the subject of the email must be “NEC Logo Entry.”

You will receive a reply stating that your entry was received – if you do not receive a reply, it is your responsibility to send the email again within the next 24 hours to ensure it was received. Late entries can NOT be accepted.

Please email questions and your logo submission to Convention Chair Leslie Dick at ConventionChair@northeastcouncil.org.

NEC Slide and Video Programs

All video and slide presentations are available to any NEC club to use as their monthly meeting program. Any other use should be discussed with the NEC slide and video chairman prior to the request. Please make requests as far in advance as possible to allow for scheduling and regular mail delivery. The NEC club requesting the program is responsible for actual shipping charges in both directions. Failure to return the program will result in a $50 replacement charge. Please return programs within 14 days after the scheduled meeting.

Requests should be made to:

David Banks

Grand Isle, VT 05458
dbanks@together.net or 802-372-8716

Refer to the September 2013 issue of the NEC newsletter to view the latest list of available programs or contact David directly via email or phone.

Notice from Tom Grady, UNYKA …It’s not just for Killies

If you want to sell some fish in Albany NY on Sunday Oct. 20th, please come join our NEW Auction! This is the first year we are officially opening up the auction to species other than killifish. We accept all types of fish (livebearers, cichlids, corys etc.), plants and items in our Sunday Auction. We do ask the number of bags of a particular species be limited to a maximum of 3. The auction split is 70% in favor of the vender and 30% goes to UNYKA. We hope to begin the auction between 10-11am. The registration will start as early as 7am. We try to pay out in cash following the auction, but if you leave early we will mail you a check/ or credit your PayPal account within 1 week. Because we accept credit cards and checks we may be limited in the cash payouts on that day. (Newsletter Editor note: see NEW flyer for more information further in this document)
